

Mr David Woodnott
Chairman of the Association of Men of Kent and Kentish Men

Dear David

Firstly, many apologies for being so slow in presenting my thanks to you. However, I went on leave for a few days following the Garden Party at Hadlow Manor and am only just back in work mode again!!

However, can I say thank you so much for the kind invitation to join you and your guests at the Hadlow Manor. I was very touched to have been contacted by Richard Maylam to come along and celebrate all that the Association do for the benefit of the County. It was a super afternoon with great company, music and some wonderful magicians keeping everyone entertained.

I think the afternoon was a complete triumph for everyone involved and I should like to pass on my sincere thanks to all those that were instrumental in pulling together all the arrangements. The staff at Hadlow Manor was very attentive and the afternoon tea was delicious.

So, thank you, David for inviting me – I was very touched to have been included and rest assured I look forward to working with the Association for many more years to come.

I send you my very best wishes and know that the Association will continue to flourish.

With kindest regards
Jo
