Dear Carol,

I write to thank you for your support during our recent visit to Dover. This is an incredibly momentous occasion for HMS KENT both as we commemorate the 101st Anniversary of the Battle of the Falkland Islands and the first visit to our home county since our return from deployment.

The Association of Men of Kent and Kentish Men have been tireless supporters of HMS KENT and both myself, and my Ship's Company, were extremely privileged to have attended your Christmas Party. I can speak for all of us when I say that an excellent evening was had by all, particularly those who won multiple raffle prizes!

I am extremely grateful to both yourself and the people of Kent for your continued support. The sense of occasion you have afforded our visit is a testament to the strong community spirit that is the hallmark of Kent. Without that, this visit would not have been the success that it was and for that I am incredibly grateful.

I am keen for HMS KENT to continue to maintain strong links with the Association and I look forward to seeing you again when we visit next October.

Great fun as always!

Invicta
